For Quieter Moments

“Prayer is in its essence the union of the soul with God. Its effects and fruits are: a pure soul, collection of inner forces, reconciliation with God, tears, forgiveness of sins, a bridge which leads us above and over temptation, a wall of protection against sorrows. It is the work of angels, a food for all spiritual beings, the joy of eternity, a divine action, a source of virtues, a treasury of graces; it is spiritual progress, the food of the soul, revelation, the exclusion of faintheartedness, a prop for our confidence, a comfort in grief.”
St. John Climacus
